

WHAT WE BELIEVE

OUR PURPOSE is to unite and empower everyone in creating a life of dignity for all.

OUR VISION is a world where compassion, understanding and love triumph over intolerance, injustice and inequality.

OUR WORK IS GUIDED BY A SIMPLE SET OF PRINCIPLES — THAT EVERY PERSON:

HAS THE RIGHT TO PURSUE THEIR PURPOSE and meaning in life, and to reach their full potential.

DESERVES TO LIVE IN SOCIETIES THAT PROVIDE humane access to education, health, income and security.

SHOULD HAVE THEIR LIFE, IDENTITY AND BELIEFS respected by others.

HAS THE RESPONSIBILITY TO CREATE THE CONDITIONS FOR OTHERS to fulfill their potential, acting to strengthen the dignity of others, including the protection of the natural world and the environment.

CAN PUT DIGNITY INTO ACTION by standing up against injustice, intolerance and inequality.

We are building a global movement of dignity-centered leaders who believe that our shared humanity depends on honoring the dignity of others and who transform and heal their communities and world.

DIGNITY

WHAT IS DIGNITY?

Dignity is a feeling in your core.
A belief in your own worth.
A belief in the worth of others.
With dignity, we lead lives of hope, optimism and compassion,
Guided by a universal ethical compass.

Dignity is the belief that our basic humanity
Is shared with every other person on this planet.

OUR CALL TO ACTION

A life of dignity means you are as valuable and important,
Worthy and wanted, as any other human being.
It means, fundamentally that you matter.

And when you believe that you matter, then you know
That your voice matters,
Your relationships matter,
And your actions matter. You have the confidence to act.

You know you will make a positive impact
That you will work with others to
Transform your community — and the world,
Into one where compassion, understanding and love triumph.
You become a change maker
Or what we call a dignity-centered leader.
